ARTICLE I PRINCIPLES

Section 1. Attainment of the objectives of the educational program conducted in the schools of the district requires mutual understanding and cooperation among the Board, the Superintendent, the professional personnel and non-instructional personnel.

Section 2 This agreement is negotiated in order to establish for its term the terms and conditions of employment of all members of the staff employed in the classifications set forth in Schedule "A" attached hereto and made a part hereof.

Section 3 The Board and the Association recognize the importance of orderly, just and expeditious resolution of disputes which may arise as to proper interpretation or implementation of the agreement or of policies or regulations of the Board and accordingly herein agree upon a grievance procedure for the effective processing of such disputes.

Section 4 The Board and the Association, the parties to the Agreement, accept the provisions of this Agreement as commitments which they will cooperatively and in good with honor, support and seek to fulfill.

Section 5 Despite reference herein to the Board or Association as such, each reserves the right to act hereunder by committee, individual member, or designated representative, professional or lay, whether or not a member. Each party will provide to the other within reasonable time, upon request, satisfactory evidence (such as official minutes or certificate of resolutions) of authority to act.

Section 6. The provisions of this agreement will constitute a binding obligation of the parties for the duration hereof or until changed by mutual consent in writing. Any previously adopted policy, rule or regulation of the parties which is in conflict with a provision of this Agreement shall be superseded and replaced by this Agreement. Nothing in this Agreement which changes preexisting policy, rules, regulations of the parties will operate retroactively unless expressly so stated.

ARTICLE II RECOGNITION

Section 1. The Board agrees to and hereby does recognize the Association as the whole and exclusive negotiation agent for the purpose of collective negotiations in any and all matters relating to terms and conditions of employment on behalf of employees in the classification set forth in Schedule "A" attached hereto and made a part hereof for the duration of this agreement.

Section 2. Unless otherwise indicated, the term "employee", when used hereinafter in this Agreement, shall refer specifically to those employees identified in the negotiating unit defined above, and references to male employees shall include female employees.

Such negotiations shall begin not later than October 1 of the calendar year preceding the calendar year in which this Agreement expires. Any agreement so negotiated shall apply to all non-instructional members, be reduced to writing, be signed by the board and the Association, and be adopted by the Board.

GRIEVANCE PROCEDURE

A. Definitions

1. A "grievance" is a dispute by an employee or the Association based upon the interpretation, application, or violation of this Agreement, policies or administrative decisions affecting an employee or a group of employees.

2. An "aggrieved person" is an employee, employees, or the Association, directly affected by a grievance.

3. The "parties of the grievance" are:

- e. The person or persons making the grievance
- b. The person or persons representing the aggrieved individual or individuals
- c. The person or persons to whom the grievance applies.
- d. The person or persons who are representing the individual or individuals against whom the grievance is presented.

B. Purpose

The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems which may from time to time arise affecting employees. Both parties agree that these proceedings will be kept as confidential as may be appropriate at any level of the procedure.

C. Procedure

1. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual consent.

2. Grievances which have not been resolved before the end of the school year should be resolved as quickly as possible, and time limits may therefore be reduced or waived by mutual consent.

3. Level One

An employee submitting a grievance shall first discuss it with his principal or subordinate administrator, either directly or through the Association's designated representative, with the objective of resolving the matter informally.

If the person or persons to whom the grievance applies is an administrator above the principal level, the employee informally should discuss the grievance with such administrator.

4. Level Two

If the aggrieved person or persons is not satisfied with the disposition of his grievance at Level One, or if no decision has been rendered within ten (10) school days after presentation of the grievance, he may file the grievance in writing with the Chairman of the Association's Committee on Professional Rights and Responsibilities (hereinafter referred to as the "PR & R Committee" within five (5) school days after the decision at Level One or twenty (20) school days after the grievance was presented, whichever is sooner. Within five (5) school days after receiving the written grievance, the Chairman of the PR & R Committee shall refer it to the proper administrator.

5. Level Three

If the grievance has not been resolved at Level Two, or within ten (10) school days after such grievance was delivered to the proper administrator, the aggrieved person or persons may within five (5) school days thereafter request in writing that the Chairman of the PR & R Committee submit his grievance to the Board of Education. Within fifteen (15) days after receiving the request, the Board shall review the request, hold a hearing, with the

person, and render its decision in writing within ten (10) days of the hearing, to the employee and a copy placed in the permanent file kept by the Board Secretary.

6. Level Four - Arbitration

a. If the aggrieved person is not satisfied with disposition of his grievance at Level Three, or if no decision has been rendered within fifteen (15) school days after the grievance was delivered to the Board, he may, within five (5) school days, after a decision by the Board, or twenty (20) school days after the grievance was delivered to the Board, whichever is sooner, request in writing that the Association submit its grievance to arbitration. If the Association determines that the grievance is meritorious.

It may submit the grievance within fifteen (15) school days after receipt of a request by the aggrieved person. If the Association determines that the grievance is not meritorious and should not be submitted to arbitration by the Association, the aggrieved person, individually, shall have the right to submit his grievance to arbitration within fifteen (15) days after receipt of notice from the Association that it will not pursue his grievance to arbitration. A copy of the Association's notice to the aggrieved person requests arbitration without Association Approval, the Association shall not be responsible for any costs incurred in pursuing the grievance.

b. Within ten (10) school days after such written notice of submission to arbitration, the Association approval shall request the American Arbitration Association for a list of arbitrators. The parties shall then be bound by the rules and procedures of the American Arbitration Association in the selection of an arbitrator.

c. The arbitrator so selected shall confer with the representatives of the Board and the Association and shall hold hearings promptly and shall issue a decision. The arbitrator shall have the right to frame issues when either party cannot agree on the issues, and shall not issue awards which are in violation of law or public policy, or shall he issue awards which are outside the scope of the grievance definition sustained herein, or which may violate the terms of this agreement. The determination the arbitrator shall be advisory. However, if the Board fails to agree with an arbitrator's award, then all awards thereafter shall be binding upon the parties.

d. The costs for the services of the arbitrator, including per diem expenses, if any, and actual and necessary travel, subsistence expenses and the cost of a hearing room, if any, shall be borne equally by the Board and the Association. Other expenses incurred shall be paid by the party incurring same.

7. Time Limits at any level of the procedure may be waived by mutual consent

e. Rights of Employees to Representation

1. Any aggrieved person may be represented at all stages of the grievance procedure by himself, or, at his option, by a representative selected or approved by the Association. When a teacher is not represented by the Association, the Association shall have the right to be present.

2. The parties in interest may call upon competent professional or lay representatives and consultants, including members of the administrative and supervisory staffs, to attend meetings for which provision is hereinabove made and to participate in the discussions thereat.

f. Miscellaneous
